Key words. Sun: chromosphere – Sun: magnetic fields – Sun: oscillations – errata, addenda

In Hasan & Ulmschneider (2004), we cited the work of McAteer et al. (2003) in the text, but inadvertently did not include it in the References. The omitted reference is:

McAteer, R. T. J., Gallagher, P. T., Williams, D. R., et al. 2003, ApJ, 587, 806
